Company	Department
Address	City & ZIP
Country VAT nr.	Order number

CINs enable unique marking and identification of objects and virtual objects at all logistical levels in accordance with "ISO / IEC 15459 Unique identification" and associated application standards of ISO, ISO / IEC and supporting industry standards. The related Issuing Agency Code (IAC) of the ISO/IEC 15459-2 Registry is the IAC "QC".

A company identification number (CIN) will be issued within 10 working days of receiving this form. The applicant will be invoiced for each requested CIN * EURO 100 (plus VAT, if applicable). Each CIN is valid for a period of 1 year, but will be automatically billed for the following year if it is not canceled 6 weeks before the previous period of validity expires.

- Preferred Company Code (s) (if available): ____ (4 ch. an)

- Option: Block of 36 CINs " __ _ x"
(includes the CINs " __ _ A to __ _ Z" and " __ _ 0 to __ _ 9")

- Yearly payment each CIN € 100,-
- Prepayment for 10 years validity each CIN € 900,-

- Option instead of CIN registration fee:
E.D.C. full Membership contribution per year:
(please propose your contribution level)
